EXECUTIVE ORDER NO. 39

Series of 2025

AN ORDER REORGANIZING THE TASK FORCE FOR THE "SEARCH FOR BARANGAYS WITH ZERO OPEN DEFECATION"

WHEREAS, the Department of Health (DOH), in line with Administrative Order 2010-0021 signed last January 21, 2015, has indicated in the objectives that all barangays nationwide should have been declared Zero Open Defecation (ZOD) status by 2022;

WHEREAS, recognizing the need to push forward the sanitation agenda, the DOH takes seriously and advocates sanitation as an urgent priority of the government by inviting Local Government Units and communicating to them the need to accelerate actions to improve sanitation for all;

WHEREAS, open defecation has a direct or indirect impact on health and sanitation. Among these are the contaminations of water sources leading to incidence of water-borne diseases (diarrhea, cholera, and typhoid fever), intestinal worm infection, and malnutrition;

WHEREAS, to achieve wider participation in addressing sanitation problems, there is a need to organize the Task Force for the Creation of the Zero Open Defecation Municipal Program Team or Validators

WHEREAS, recognizing the Task Force for the "Search for Barangays with Zero Open Defecation" is essential to fill vacancies from LGU staff changes, thereby strengthening its capacity to coordinate efforts, engage marginalized groups, monitor progress, and recommend improvements;
